## Your RCCP Registration Renewal for 2021/22

Dear Registrant

Thank you for maintaining your registration with the RCCP. The process to renew your registration online will open **1st March 2021**.

To renew and remain registered, please log into your RCCP online account to complete your annual renewal form and if not already in place, provide your direct debit details for payment to be taken at the end of April 2021. The new registration period will be from 1 May 2021, to 30 April 2022.

Please note that your current certificate will not be available to download after 30 April 2021. Therefore, please ensure you save a copy for your own records.

We are pleased to advise you that the registration fees for 2021 will remain as £52.50.

New registrants joining the RCCP after 1 February 2021 are exempt from the renewal process.

RCCP is proud to say that we are the largest Clinical Physiologist voluntary register in the UK, with almost 6000 registrants. Our key focus is patient safety and RCCP continues to work with professional bodies, higher education institutions, the public and registrants to broaden our scope and maintain high standards.

Please do not hesitate to contact us if you have any queries or concerns.

Yours Sincerely,

**The RCCP Team**
