

Annual Registration Renewal Update (20/08/21)

We would like to thank all of our registrants who have renewed their registration for 2021/22. As per previous years, the renewal process included both payment and the completion of the online self-declaration (renewal form).

Registrants who did not complete both parts have now been removed from the register.

Please visit our website for Renewal FAQ <https://rccp.co.uk/registrants/annual-renewal-of-registration/renewals-faq/> and contact RCCP Admin with any queries that you may have on rccpadmin@rccp.co.uk or 01905 885350.
